D) Delivery of works

The students will deliver the works by etwinning and by the work form. It is mandatory that they be delivered in two ways to comply with the commitments made in the project application:

IMPORTANT must be sent by both (form and etwinning)

1) google form: Students will have to fill in the following google form to create the rest of the final products of the project:

Enter <https://forms.gle/1QyNpHZNdxdook67>

and fill in the fields following the instructions on the form.

We will use this information to create the European Museum of crafts

Important: In this field you should enter the information of the presentation just copy and paste it.

Description of the Craft (min 300)

The Description of the Craft can be copied from the document , better as longer as you can
