Google Arts & Culture

Google Arts & Culture

This Google project presents

- high-resolution art images exhibited in museums worldwide.
- VR virtual tours of the galleries.
- Arts Experiments
- VR Videos

The screenshot shows the Google Arts & Culture website. The URL is artsandculture.google.com/explore. The page features a navigation bar with options like 'Página principal', 'Explorar', 'Jugar', 'Cercano', and 'Favoritos'. Below the navigation bar, there are two main sections: 'Elementos destacados' and 'Categorías'. The 'Elementos destacados' section includes three featured items: 'Art Camera' (Explora obras de arte en alta definición), 'Videos en 360°' (Vive la cultura en 360°), and 'Street View' (Visita sitios famosos y emblemáticos). The 'Categorías' section includes five categories: 'Artistas' (12,777 artistas), 'Técnicas artísticas' (240 técnicas artísticas), 'Corrientes artísticas' (125 corrientes artísticas), 'Acontecimientos históricos' (629 acontecimientos históricos), and 'Personajes históricos' (8,541 personajes históricos).

Let's Practice **Kuula.com**

1° Create an account with an email

2° Upload one of the images that i pass
you from the etwinning website (link that i
pass you through wassup).

3° Play with them.

4° Try tiny planet
