Super mobility

maybe to have more free time in the cities

university of creative arts was amazing, also loved different workshops, would have loved a bit more time in london (maybe a tour or something)

Okay 😊

Continue cooperating and communicating in such an efficient and reasonable way so as to achieve best results and strengthen the bonds between the partners

It was great that you separated us into international groups, because had to speak english and get to know everyone

For fashion somebody from the fast fashion field or to talk about the negatives of fashion also

Congratulations; I hope covid lets us make a new trip.

cool ;

Thanks for the cooperation of everybody; see you in next trip in Estonia.

thanks Lee and Harry for the wonderful organization;

Great Job ;j We should make some plan for the covid problem

Everything was Great ;jj

Lol;

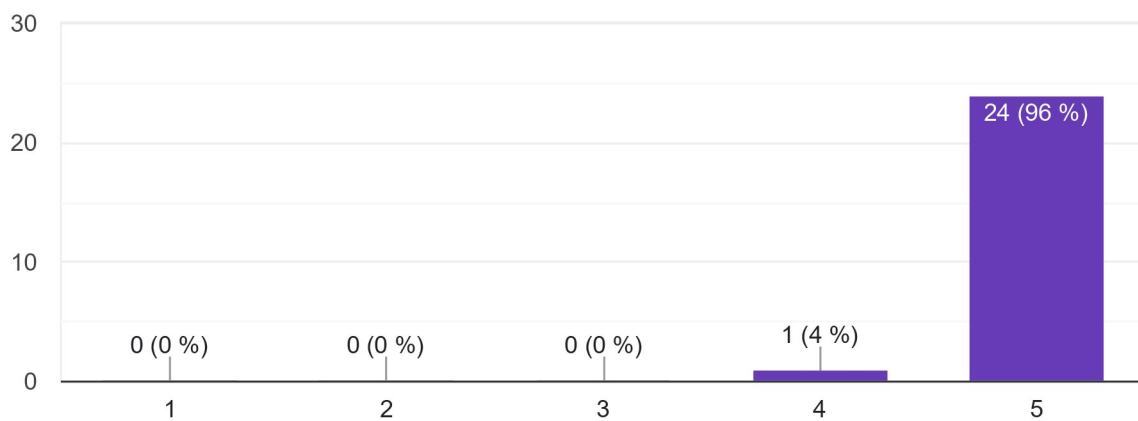

Lovely days & Experience; thanks for all ;j ... Suggestion: Covid Plan please.

Rate how the mobility was positive to archive the project objectives.
